

Rug Doctor PRO[®]

Commercial Cleaning Systems

Redefining Carpet Cleaning

Rug Doctor was founded by a professional carpet cleaner back in 1972 with the first machines having been designed and built for professional use.

It was soon realised that the machine was so easy to use - anyone, not only professionals - could deep clean carpets.

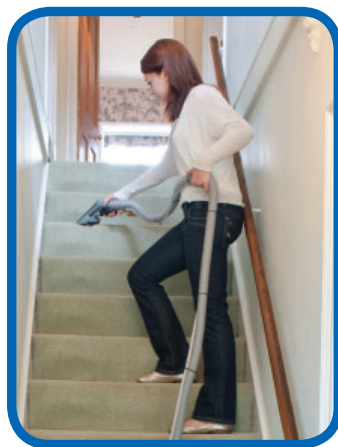

A global brand was born and soon after, Rug Doctor launched the first rental program that made professional-grade carpet cleaning machines available to the public.

Rug Doctor has grown to become a household name and continues as the leader in carpet care rental systems with powerful machines and innovative products.

With your new Rug Doctor Pro, you now have this same professional power at your fingertips. We believe you'll find it to be a product that not only lives up to Rug Doctor's high standards of quality and performance, but yours as well.

With the recommended care and maintenance, your Rug Doctor machine will provide years of reliable service.

Thank you for purchasing a Rug Doctor and welcome to the Rug Doctor family!

Only Rug Doctor Pro chemicals should be used with Rug Doctor Pro machines as they have been formulated to give optimum performance.

RugDoctor Pro QuickDry 2.6G

“ We run a busy hotel on the South Coast and we pride ourselves on the cleanliness of both our guest rooms and public areas.

We've had a Rug Doctor Pro machine for several years now and have been absolutely delighted by both its reliability and performance.

Recently we have also started cleaning upholstery with it - using the hand tool attachment and Rug Doctor Pro Upholstery Cleaner, which has also produced outstanding results! ”

**Richard Margaroli -
Partner at The Ardington Hotel, West Sussex**

All Rug Doctor Pro Machines are designed and built to the high standards of the professional carpet cleaning industry.

The Rug Doctor Pro QuickDry 2.6G offers professional carpet cleaning results for a fraction of the price of other machines.

Many commercial-grade machines cost thousands of pounds, you may have thought purchasing a carpet cleaning machine was outside your budget, however the price of our Rug Doctor Pro QuickDry 2.6G is an ideal cost effective solution.

The powerful Rug Doctor Pro QuickDry 2.6G machines are used by thousands of cleaning professionals because they are easy to use and manoeuvre, lightweight, and provide beautiful results; refreshing, restoring and renewing both carpet and upholstery.

The proven commercial and professional engineering gives you twice the vacuum power of domestic machines, as well as being robust and designed to last. Rug Doctor's unique agitating brush action gives professional results in a single pass.

SPECIFICATIONS:

Weight:	16.3kgs	(36lbs)

Lightweight, manoeuvrable design moves smoothly and easily over the carpet.

Vibrating brush and extra vacuum power provide effective, one pass cleaning

One-button operation.

Includes the Universal Hand Tool and 12 foot hose attachment in a convenient storage bag. Lets you clean stairs, upholstery and car interiors.

Folding handle makes it easier to store than most upright cleaners.

QuickDry / Deep Clean selector lever

RugDoctor Pro QuickDry 3.7G

“ Daily Poppins is one of the fastest growing cleaning franchises in the UK, cleaning over 14000 homes per month plus commercial premises.

To support its growth and generate an additional revenue stream, we decided that carpet cleaning was a natural progression for the business.

Having considered a number of suppliers in the marketplace and tested their equipment, we elected to form a partnership with Rug Doctor.

We have been delighted with the results thus far with positive feedback from both our franchisees and clients and look to develop the service across our network. ”

Trevor White, Daily Poppins, Head of Franchise Operations, UK & Ireland

SPECIFICATIONS:

Weight:	20kgs	(44lbs)
Airflow:	3.2cmm	(113cfm)
Brush Type:	Vibrating	
Brush Stroke:	3200 per minute	
Brush Width:	28.5cms	(11.25")
Solution Tank:	14 litres	(3.7 gals)
Recovery Tank:	18.2 litres	(4.8 gals)
Pump Pressure:	221kpa	(32psi)
Water Lift:	257cm	(100.1")
Vac Motor:	1.42kws	(1.9hp)
Solution Recovery:	80%	
Upholstery Attachment:	3.81m	(12.6")

All Rug Doctor Pro Machines are designed and built to the high standards of the professional carpet cleaning industry.

The Rug Doctor Pro QuickDry 3.7G offers professional carpet cleaning results for a fraction of the price of other machines, plus with it being a Wide Track machine, it gets the job done twice as fast with fewer refills, making it ideal for businesses.

The powerful Rug Doctor Pro QuickDry 3.7G machines are used by thousands of cleaning professionals because they are easy to use and manoeuvre, lightweight, and provide beautiful results; refreshing, restoring and renewing both carpet and upholstery.

Rug Doctor Pro QuickDry 3.7G offers great vacuum power, excellent cleaning ability and with its' unique vibrating brush and one button simplicity, it offers professional results in a single pass.

The Rug Doctor Pro QuickDry 3.7G offers added convenience by virtue of its wide track size. With a capacity that's nearly 30% more than the Rug Doctor Pro QuickDry 2.6G and a 16% wider cleaning path, you get faster cleaning with fewer refills.

Extra large sized solution and recovery tanks mean fewer refills.

Larger wheels increase manoeuvrability allowing the machine to move smoothly and easily over the carpet.

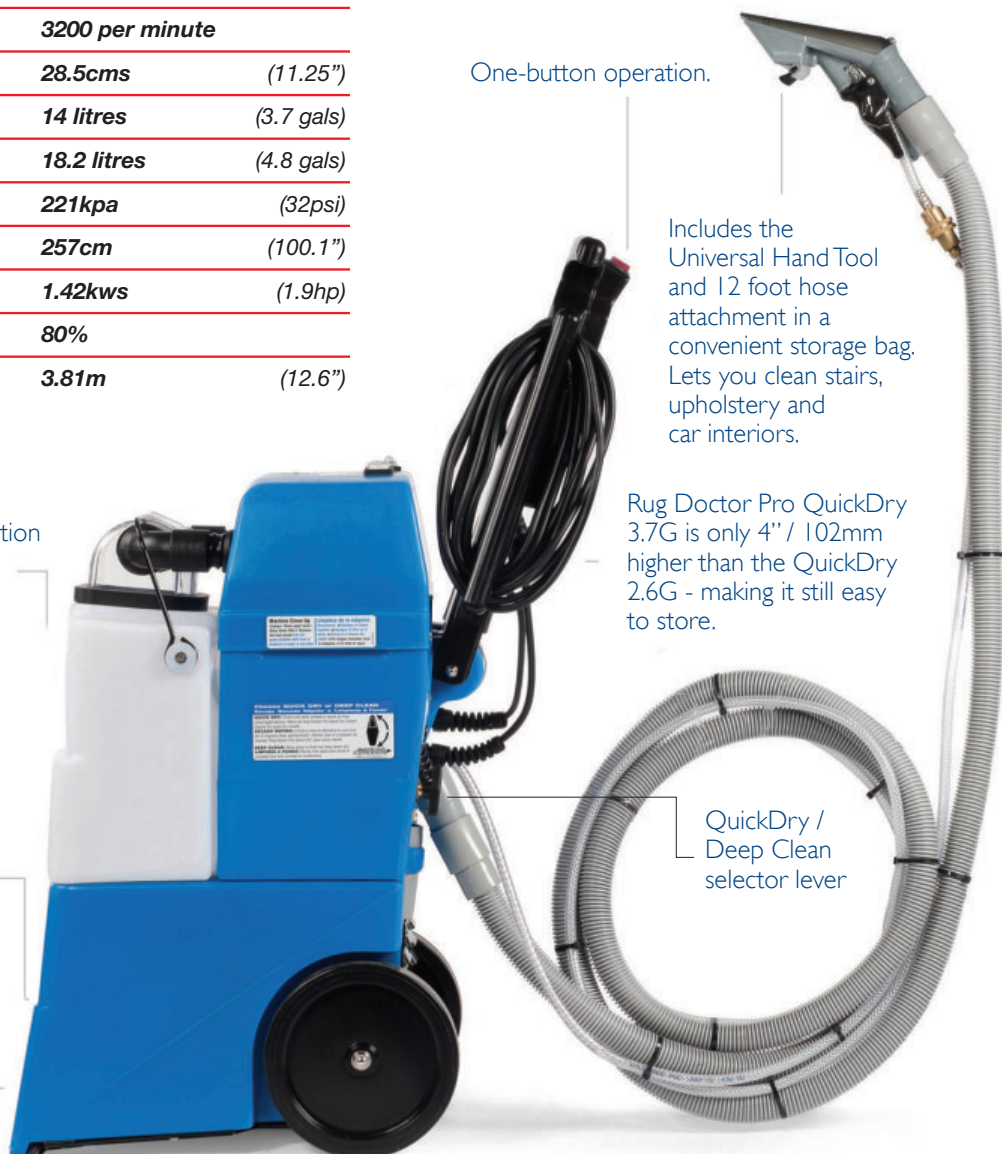

Wider brush and vacuum path provides faster one pass cleaning

One-button operation.

Includes the Universal Hand Tool and 12 foot hose attachment in a convenient storage bag. Lets you clean stairs, upholstery and car interiors.

Rug Doctor Pro QuickDry 3.7G is only 4" / 102mm higher than the QuickDry 2.6G - making it still easy to store.

QuickDry / Deep Clean selector lever

RugDoctor QuickDry Feature

Quick Dry is Rug Doctor's patented combined machine and detergent technology delivering wet extraction cleaning methods with up to three times faster drying times when used with Rug Doctor Pro Quick Dry machines in Quick Dry mode.

Simply select which mode – Quick Dry or Deep Clean - that you wish to use and turn the lever on the back of the machine towards the correct setting.

Add Rug Doctor Pro Quick Dry Carpet detergent (mixed with hot water to the dilution recommended on the label) to the solution tank if you have selected the Quick Dry mode.

Add Rug Doctor Pro Professional Carpet Detergent to the solution tank if you have selected the Deep Clean mode.

RugDoctor Pro Hand Tool

Rug Doctor Pro Universal Hand Tool / Upholstery Cleaning Tool

The Rug Doctor Pro Universal Hand Tool is ideal for stairs, upholstery, around skirting, car and caravan interiors, mattresses and many other hard to reach areas.

It is lightweight, easy-to use and its' high extraction rate delivers better results in less time.

The extension hose that comes with the attachment is 12' or 3.5 meters in length; long enough to reach up or down a standard flight of stairs to enable easy cleaning.

This attachment gets furniture cleaner and drier while minimising cleaning residues that can attract future dirt.

The Rug Doctor Pro Hand tool can also be used as a quick solution for cleaning spills or accidents that effect a small area of carpet or upholstery.

SPECIFICATIONS:

Lightweight:	Tool head weighs less than 210 grams/0.21 Kg for ease of use	Detachable Head:	Quick-disconnect couplings allow use of the wet-dry hose with other attachment tools
Durable:	High-density, corrosion-resistant polyethylene	Integrated Brush:	1/2" (1.27 cms) bristles lift out ground in dirt
Clear Dome:	Cleaning action is visible to the operator	Wide Path	4" (10.16 cms) cleaning path handles more fabric in just one pass

RugDoctor Pro Chemicals

RUG DOCTOR PRO CLEANING SOLUTIONS

Rug Doctor Pro cleaning solutions and detergents offer complete care for your carpet and upholstery.

The professional strength cleaning solutions are ideal for solving your carpet and upholstery spills and stains.

At Rug Doctor Pro we know that a one stop cleaning solution is impossible because different stains attach themselves to carpet fibres in different ways and for this reason every stain requires a specific solution for effective removal.

Rug Doctor Pro cleaning solutions are ideal for all types of users including:

- ✓ **COMMERCIAL & DOMESTIC CLEANING COMPANIES** ✓ **SCHOOLS**
- ✓ **CARE HOMES & NURSING HOMES** ✓ **BARS & NIGHT CLUBS**
- ✓ **RESTAURANTS** ✓ **HEALTH CLUBS** ✓ **LANDLORDS & LETTING AGENTS**
- ✓ **HOME OWNERS** ✓ **HOTELS & LEISURE FACILITIES** ✓ **HOSPITALS**

Carpet Cleaning

QUICK DRY CARPET DETERGENT

FOR ULTRA FAST DRYING TIMES

Rug Doctor Pro Quick Dry Carpet Detergent is a concentrated, fast evaporation solution that cleans and deodorises your carpet whilst significantly reducing drying time to less than 2 hours – great when you need professional results fast!

This special formulation is the best way to get fast drying capabilities from your Rug Doctor Mighty Pro or Pro Wide Track carpet cleaning machine, without compromising your professional results.

The cleaning agents in the Rug Doctor Pro Quick Dry Carpet Detergent penetrate deep into the carpet fibres and lift dirt to the surface for complete removal of stains and ground-in dirt whilst the special formulation forms a thinner layer on the carpet for accelerated drying.

When used in conjunction with the Quick Dry setting on our Rug Doctor Mighty Pro Quick Dry or Pro Wide Track carpet cleaning machines the Quick Dry Detergent will leave you with refreshed, deodorised and professionally cleaned carpets which can dry within 1-2 hours.

ITEM ORDER NO.1013043

PACK SIZE: 4 X 5LTR

PROFESSIONAL CARPET DETERGENT

100:1 DILUTION FORMULA

Rug Doctor Pro Carpet Detergent cleans deodorises and rejuvenates your carpet with professional results every time, refresh, restore and renew your carpets.

Rug Doctor Pro Carpet Detergent is a highly concentrated 100:1 dilution formula, this means that you only need one part chemical to 100 parts water, making the solution extremely economical as well as an effective cleaning agent for removing all types of spots and stains from your carpet.

When Rug Doctor Pro Carpet Detergent is used in your Rug Doctor Mighty Pro or Pro Wide Track machine, the chemical agents are sprayed deep into the carpet fibres; effectively lifting grime to the surface for complete removal of stains and ground-in dirt.

For best results you can combine Rug Doctor Pro Carpet Detergent with Rug Doctor Pro Traffic lane Cleaner to pre-treat heavily soiled areas.

ITEM ORDER NO.1013042

RugDoctor Pro Chemicals

Upholstery Cleaning

PROFESSIONAL UPHOLSTERY CLEANER

WITH SPOTBLOK STAIN REPELLENT

Rug Doctor Pro Upholstery Cleaner is specially formulated to deep clean and revitalise upholstery, to achieve professional results every time.

Rug Doctor Pro Upholstery Cleaner will keep your upholstery looking new whilst leaving you with a fresh, clean scent. Now with SpotBlok stain repellent Rug Doctor Pro Upholstery Cleaner will help to protect your upholstery against stains and spills long after it has been cleaned!

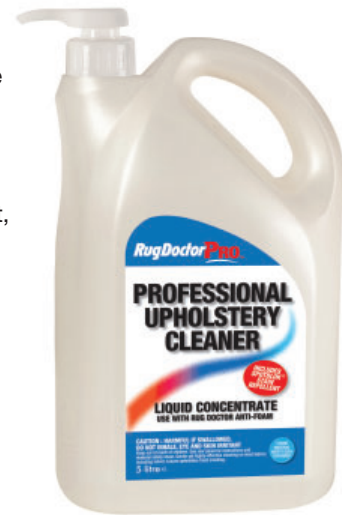

Rug Doctor Pro Upholstery Cleaner can be used with the Hand Tool attachment to clean many different types of upholstery including furniture, car interiors and mattresses.

The high-foam action cleans and brightens upholstery without harming delicate fabrics

and the advanced detergents neutralise water-based deposits and emulsify oils for superior stain removal.

Rug Doctor Pro Upholstery Cleaner is tough enough to eliminate stubborn dirt, yet gentle enough to use on delicate fabrics such as velvet, and unlike other chemicals that leave behind an oily build-up that attracts more dirt Rug Doctor Pro Upholstery Cleaner helps prevent re-soiling by drying completely with no residue left in the fabric.

It is essential to use Rug Doctor Pro Anti-Foam when cleaning upholstery to help prevent harmful foam build up in the machine's recovery tank.

ITEM ORDER NO.1011015 PACK SIZE: 4 X 5LTR

PROFESSIONAL ANTI-FOAM

MAINTAINS & PROTECTS YOUR RUG DOCTOR PRO

Rug Doctor Pro Anti-Foam when used with Pro Upholstery Cleaner prevents harmful foam build up in the recovery tank of your Rug Doctor Pro carpet cleaning machine.

It is essential to use Rug Doctor Pro Anti Foam when cleaning with the Rug Doctor Pro Upholstery Cleaner, because excess suds and foaming are produced when

cleaning upholstery, especially if there is any residue of other cleaning products left in the upholstery from prior cleaning. Rug Doctor Pro Anti-Foam is key in protecting and prolonging the life of the vacuum motor inside your Rug Doctor Pro machine.

ITEM ORDER NO.1073227 PACK SIZE: 6 X 500ML

Odour Removal

PROFESSIONAL ODOUR REMOVER

WITH POWERFUL ENZYMATIC ACTION

Rug Doctor Pro Odour Remover has been formulated for use on carpets and upholstery to deodorise and eliminate foul odours such as mildew, smoke, vomit and much more at their source.

The special formulation of Rug Doctor Pro Odour Remover uses bio-enzymatic technology to eliminate the organic source of odours and leaves your carpet or upholstery smelling fresh and clean.

Rug Doctor Pro Odour Remover can be used either with or without a Rug Doctor Pro carpet cleaning machine and will remove both new and old odours whilst killing the bacteria that causes the odour to linger.

ITEM ORDER NO.1073226 PACK SIZE: 6 X 500ML

RugDoctor Pro Chemicals

Stain Removal

PROFESSIONAL SPOT & STAIN REMOVER **WITH POWERFUL ENZYMATIC ACTION**

Rug Doctor Pro Spot and Stain Remover solves nearly every kind of common spill or stain, including stains from food, grease and makeup.

Rug Doctor Pro Spot & Stain Remover uses a powerful enzymatic formula that penetrates deep down into carpet fibres or upholstery to neutralise and completely remove nearly every kind of commonly occurring spill or stain.

Rug Doctor Pro Spot and Stain Remover can be used both as a pre-treatment to cleaning with a Rug Doctor Pro carpet cleaning machine or as a stand-alone stain remover leaving you with fantastic results every time!

ITEM ORDER NO.1073224 PACK SIZE: 6 X 500ML

PROFESSIONAL URINE ELIMINATOR **WITH POWERFUL ENZYMATIC ACTION**

Rug Doctor Pro Urine Eliminator is highly effective against foul odours and stains caused by bodily fluids such as urine, faeces and vomit.

Rug Doctor Pro Urine Eliminator is an ideal solution for any property that has pets, children or residents with incontinence problems; the powerful enzyme technology is key in removing urine, blood, faeces and vomit from carpets, upholstery and mattresses.

Rug Doctor Pro Urine Eliminator can be used with or without a Rug Doctor Pro carpet cleaning machine to destroy both the stain and the underlying odours in carpets, mattresses and upholstery.

Stains like urine can be tough to eliminate, and often when using a standard 'off the shelf' cleaning product the problem may appear to be solved, but in a very short time the smell returns as strong as ever. This is because the uric acid found in all urine contains non-soluble salt crystals which bond tightly to the surface of carpet fibres and upholstery – these crystals are extremely tough to remove and any type of moisture on the affected area will cause the smell to return.

Rug Doctor Pro Urine Eliminator will get the job done with a single application, as the enzymatic technology breaks down and removes the uric acid crystals for total elimination of both the stain and the odour.

ITEM ORDER NO.1073223 PACK SIZE: 6 X 500ML

PROFESSIONAL TRAFFIC LANE CLEANER **WITH DEEP CLEANING ACTION**

Rug Doctor Pro Traffic Lane Cleaner is perfect for use on high-traffic areas, including hallways, doorways and near kitchens.

Rug Doctor Pro Traffic Lane Cleaner is ideal for areas which naturally attract tough, oily stains as it is specially formulated to break the bonds of embedded grease and oil. Rug Doctor Pro Traffic Lane Cleaner emulsifies and suspends oil-based stains and other heavy build-ups, such as grease, tar, varnish and much more, for excellent cleaning results and it leaves no residue to attract future soiling.

Rug Doctor Pro Traffic Lane Cleaner gives amazing results when used as a pre-treatment to cleaning with a Rug Doctor Pro carpet cleaning machine as it lifts ground-in dirt and oily stains to enable better extraction and to reduce cleaning time.

As well as being a powerful pre-treatment to cleaning with a Rug Doctor Pro carpet cleaning machine, Rug Doctor Pro Traffic Lane Cleaner also helps to achieve professional results when used as an additive to the cleaning solution inside the machine itself.

ITEM ORDER NO.1073225 PACK SIZE: 6 X 500ML

PROFESSIONAL RED STAIN REMOVER **WITH OXY ACTION CLEANING**

Rug Doctor Pro Red Stain Remover is formulated with oxy action cleaning technology which is boosted by oxygen to break the bonds of red stains, such as red wine, curry, pasta sauce and much more!

Simple spray Rug Doctor Pro Red Stain Remover generously onto the affected area, let stand for 2 minutes, blot with a paper towel and watch the stain disappear as it is transferred from your carpet or upholstery onto the paper towel.

Rug Doctor Pro Red Stain Remover can be used in conjunction with a Rug Doctor Pro carpet cleaning machine or as a stand-alone stain removal spray and is extremely effective in removing all red dye based stains.

ITEM ORDER NO.1073228 PACK SIZE: 6 X 500ML
