Company *Overview*

Northwood Hygiene Products hold the license to manufacture and sell, via a network of approved Distributors, the Bay West® range in UK and Europe.

We are a family owned business, who manufacture and supply disposable paper and related cleaning and hygiene products to the 'away from home' market.

Based in Meltham, near Huddersfield, we sell into a distribution network spanning the UK, Ireland and Europe who in turn service markets such as Healthcare, Hospitality, Hotel, Engineering, Janitorial, Catering and Education.

We differentiate ourselves by excelling in product quality alongside market leading service and sales support.

All products conform to the CHSA soft tissue standard.

Bay West® is a brand sold exclusively via a network of preferred Distributor partners. It offers a range of multi-market, system-led products, that provide solutions for many of today's most common washroom issues in the 'away from home market.'

Bay West® has a range of dispensing products ideal for any washroom environment. If you need a solution that reduces cost, waste and maintenance then you should choose Bay West®!

The Bay West® dispensers are specially designed to meet the challenges and requirements of users and come in a range of five colours to suit any washroom décor. They are modern and attractive in design whilst the sturdy plastic construction makes them durable and easy to clean.

Bay West® are at the forefront of dispenser technology and the products have been specifically designed to reduce paper consumption that in turn reduces costs and waste.

“I am delighted that the Bay West products have delivered the quality, efficiency and cost savings that were promised and I would have no problem recommending Disposables UK and Bay West® to other sporting and leisure venues.”

John Rutherford -
Stadium Operations Manager at Sheffield Wednesday

Whatever the market, rest assured we have the solution for you.

OFFICE BUILDINGS

High capacity, low maintenance dispensing systems...
Bay West® delivers.

EDUCATION

Environmentally preferred, easy and safe to use with a large capacity...
Bay West® delivers.

Bay West® delivers.

HEALTHCARE

Pre-measured paper dispensers reducing contact...
Bay West® delivers.

HOSPITALITY

Modern, attractive dispensers available in five colours to suit any washroom décor...
Bay West® delivers.

Provides *Solutions*

High Capacity combined with long run out means there is a significant reduction in the number of service visits.

Reduced Pilferage: the system dispensers are equipped with a secure locking device.

Stops Abuse: the dispensers are constructed from a very durable plastic (used in the automotive industry for car bumpers.) Minimizing damage.

Prevents Overuse: a highly efficient cutting system means towels are dispensed in economic lengths.

No Stub Roll Waste: the system has been designed so all the towel is used 100% before the new roll is activated.

Dispensers come with built in spirit level for easier installation.

All Dispensers come with fitting templates as well as comprehensive easy to follow fittings instructions.

Product *Quality*

All Disposables UK products are manufactured to Cleaning & Hygiene Suppliers Association (CHSA) Soft Tissue Standard.

Under the scheme you will find all our products fully labelled with lengths, widths and sheet counts as appropriate and a guarantee that the product in the box meets the specification on the label.

CHSA and ISO registered.

Bay West® & *The Environment*

Bay West® were the first UK 'away from home' brand to provide a range of accredited environmentally preferred washroom products.

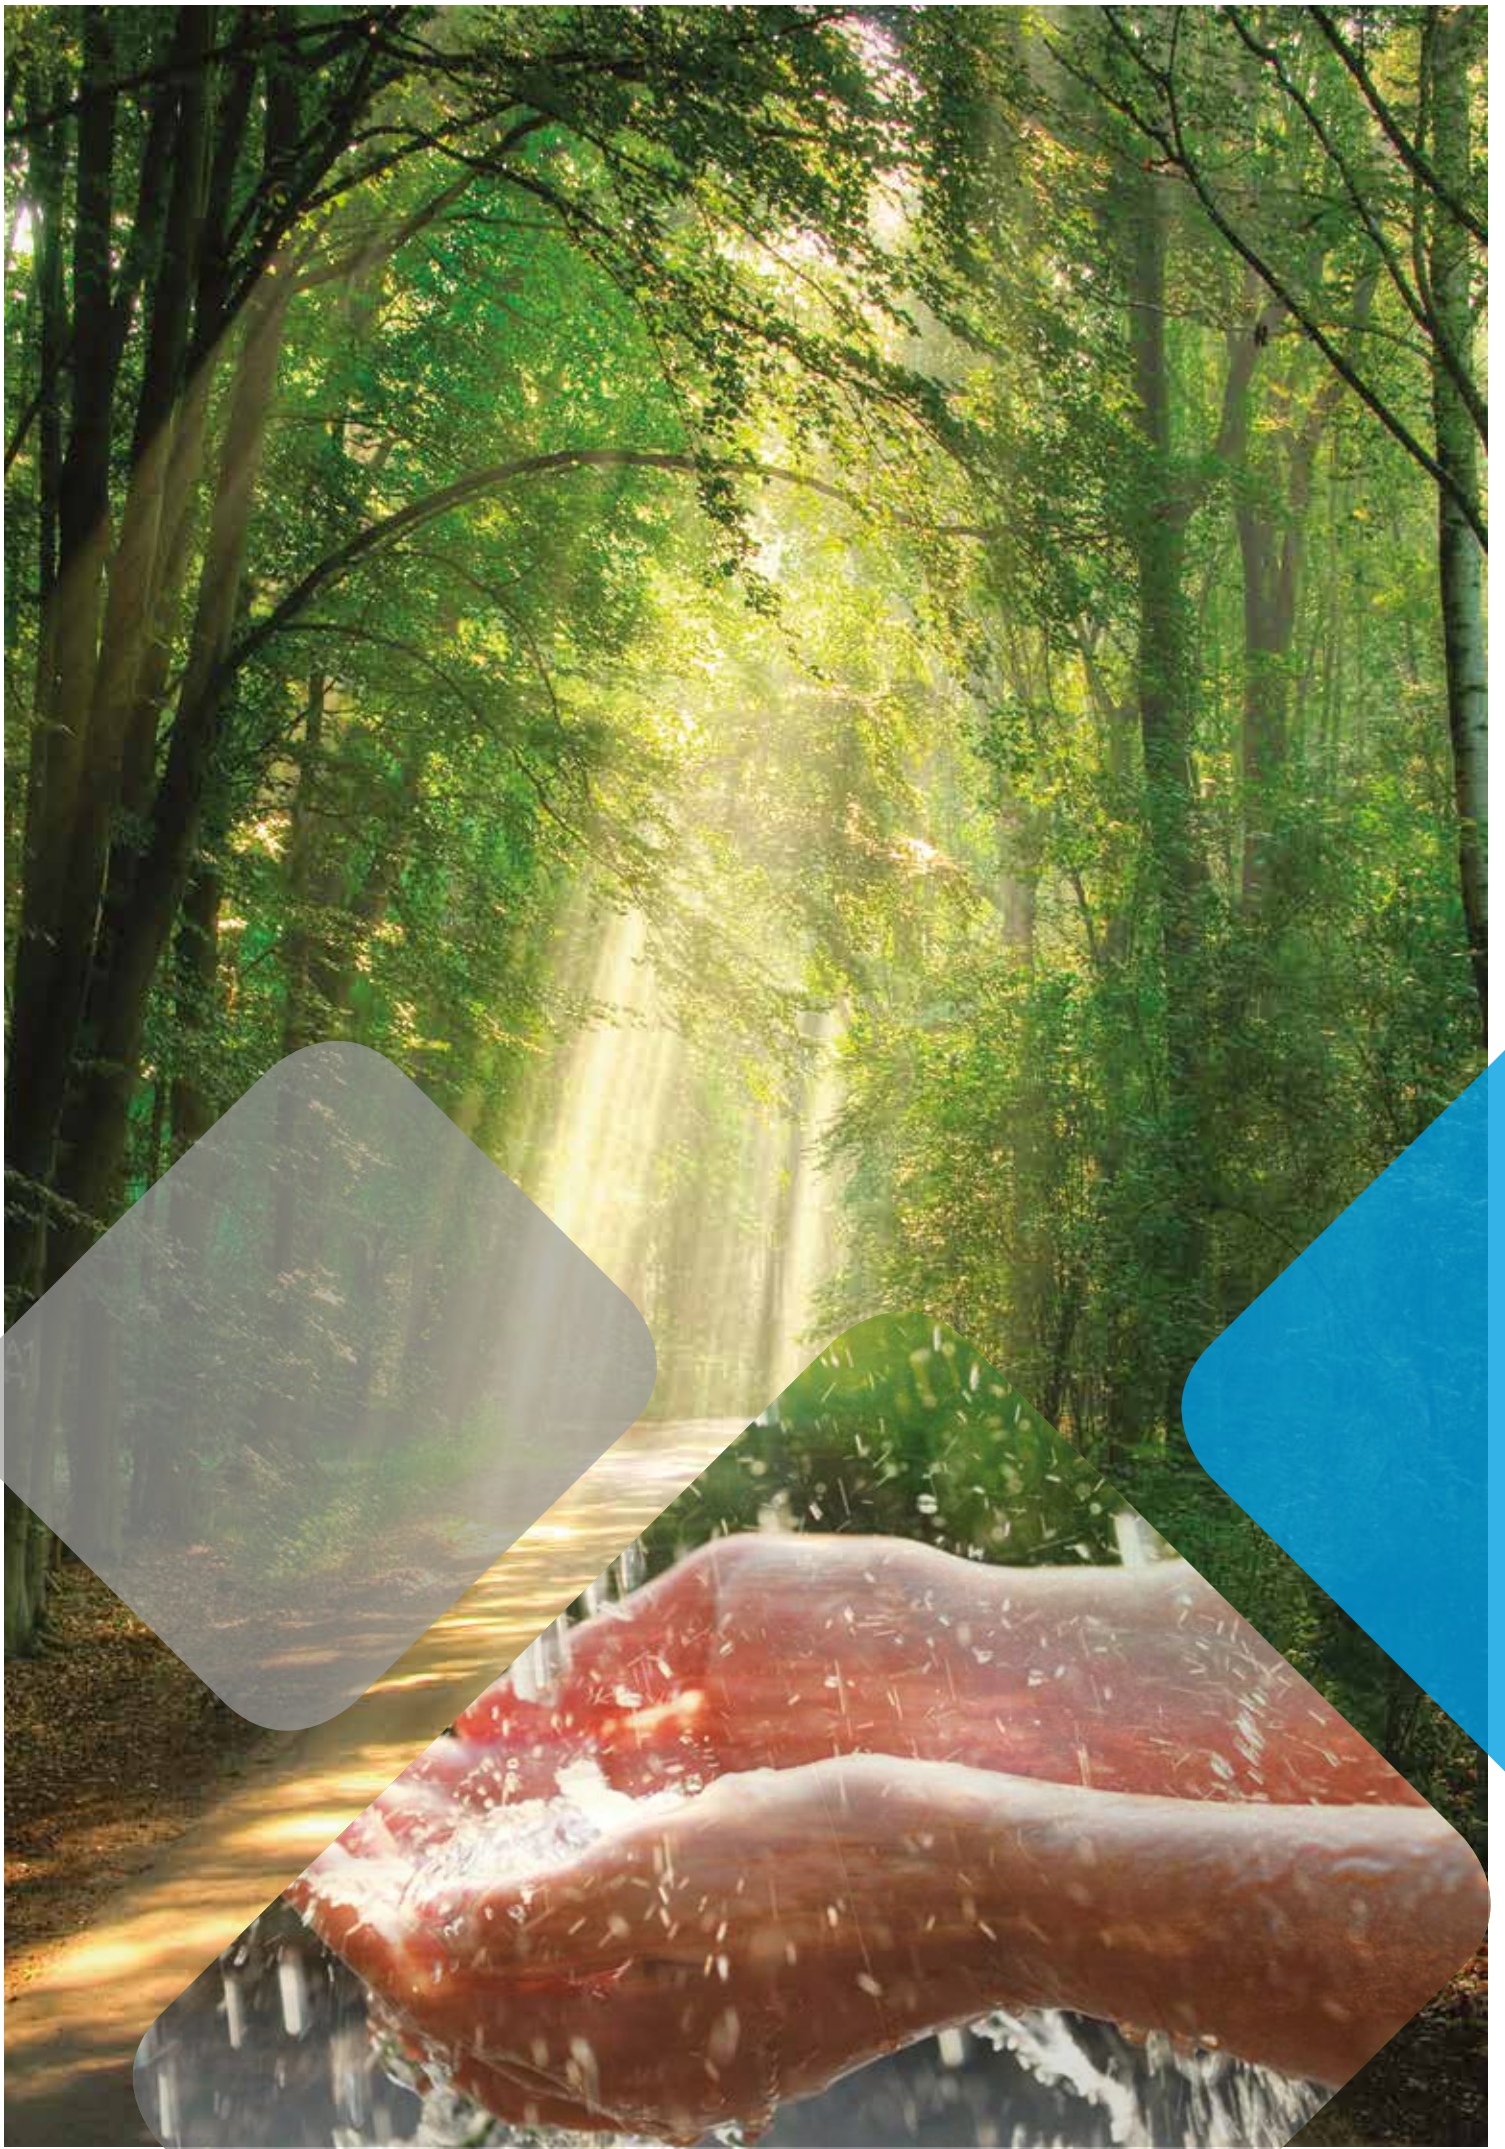

By attaining the EU Eco-Label every part of the manufacturing process, from raw paper pulp to the finished product, was analysed to ensure it met stringent green guidelines.

This means that Bay West® products are officially 'green washroom' products.

Our raw material paper is only sourced from sustainable suppliers.

Our products also carry the Green Seal certification standard for North America and the Choice certification for Australasia.

Impressions Range

Hand Towel Rolls & Dispensers

Folded Hand Towels & Dispensers

Toilet Tissue & Dispensers

Hand Soap & Dispensers

"We needed products that could cope with constant demand and the Bay West® range has really met our expectations."

Leading Catering & Hospitality Company - Elixir UK.

Impressions *Range*

The new Impressions range from Bay West® gives your washroom a touch of luxury and class!

The comprehensive range of toilet tissue and hand towels are targeted at the premium end of the market.

The range offers all the same cost savings and general benefits as standard Bay West®, but also a more luxurious product that satisfies the demands of a more discerning user.

The new 2 and 3 ply toilet tissue and 2 ply hand towel rolls are laminated and micro-embossed resulting in a softer, more absorbent, all round luxury feel.

The Impressions range is compatible with our standard Bay West® dispenser range.

Hand Soaps

Antiseptic foam for frequent and hygienic cleaning of the hands. The hypoallergenic foam is both colourless and odourless and ideal for markets demanding these characteristics.

Case Quantity	Code
8 x 800ml	9602

Soft and creamy foam perfect for the daily cleansing of the hands. Soft yellow in colour, the lotion foam has a pleasant scent of melon.

Case Quantity	Code
8 x 800ml	9601

Antiseptic foam that ensures instant decontamination of the hands without having to wash or rinse with water. Colourless with a minty odour, the foam is effective against H1N1 and other bacteria.

Case Quantity	Code
8 x 800ml	9605

Eco-foam is a gentle, pleasantly perfumed hypoallergenic foaming lotion for hand washing. Purple in colour with a fresh blossom odour, it is certified with the EU Eco-label accreditation.

Case Quantity	Code
8 x 800ml	9604

Automatic & Manual Soap Dispensers

All our automatic & manual soap dispensers are available in the following colours

Push Button Soap Dispenser

- High capacity, 800ml cartridge gives 2000 doses of foam soap.
- Modern, stylish design suits any washroom décor.
- Simple pump action means the dispenser is easy to use.
- Measured portion pump ensures an effective, hygienic hand wash.

Suitable Markets

Automatic Soap Dispenser

- Automatic foam soap dispensed by placing hand under sensor.
- Total touch-free dispensing reduces risk of cross-contamination.
- High capacity, 2000 doses dispenser reduces chance of run-out.
- Available in 5 colours for colour coded areas.
