essentials

for all your tissue needs

Our essentials range is a leading environmentally friendly brand in the tissue market and is European eco label accredited. Focused predominately on 100% recycled material, essentials covers an extensive range of toilet tissue, hand drying, surface wiping and specialist wiping options to cater for a wide range of workplace hygiene needs.

The essentials brand also has a range of matching dispensers, providing your entire everyday tissue requirements.

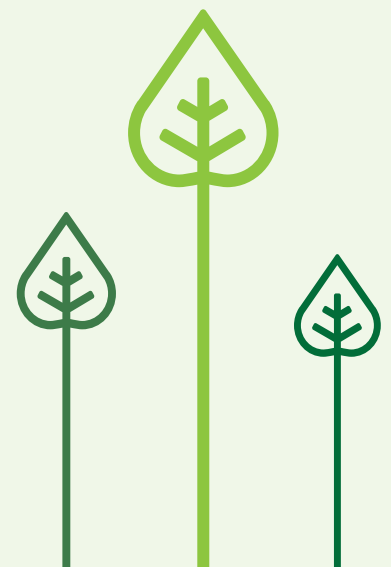

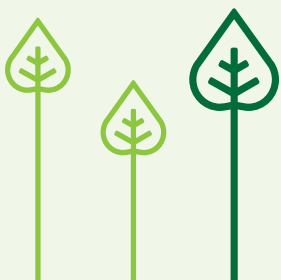

PRODUCT KEY

Tissues are produced using 100% recycled material

Food Safe Product

Our essentials range is a leading environmentally friendly brand in the tissue market and is European Eco label accredited. Essentials covers an extensive range of toilet tissue, hand drying, surface wiping and specialist wiping options to cater for a wide range of workplace hygiene needs.

Focused predominately on 100% recycled material, with a range of accompanying dispensers, essentials has the answer to any everyday tissue requirement.

With such a wide range of products featuring differing core sizes, widths, colours and ply variations there is sure to be an essentials product that can fulfil your specific needs.

All products within the essentials range meet the CHSA soft tissue standard so you can be sure that the product matches the specifications on the label.

Essentials is manufactured by Northwood Hygiene Products, a leading converter and supplier of professional hygiene paper products into the away-from-home market sector. With a large portfolio of market leading brands Northwood has the ideal solutions for dispensing, wiping and commodity business needs.

1 ply Centrefeed

Our essentials centrefeed range is made from 100% recycled material and is Eco label accredited, assuring you that it is one of the most environmentally friendly products on the market.

The 1 ply centrefeed range is perfect for wiping up light spills and is available in a variety of lengths up to 300 metres ensuring great value for money and efficiency.

Also available in 2 and 3 ply with a variety of sizes the essentials centrefeed range is sure to have a suitable product for all business needs.
