Omniflex SUV

The Ultimate In Crossover Cleaning

The OmniFlex™ SUV™ combines high speed push-behind cleaning (for large areas), with the precision and flexibility of a vacuum wand (for smaller areas or grouted floors).

The result is a compact cleaning cart that can tackle any hard flooring challenge thrown its way. It's perfect for restrooms, entrances, aisle ways, hallways, reception areas, gyms, food service areas and lots more.

Omniflex™ SUV™

An all-in-one solution to hard floor cleaning. The OmniFlex™ SUV™ is an all-in-one multipurpose platform that replaces and outperforms mops and buckets, janitor's carts, wet vacuums, dust mops, and in some cases, even scrubber dryers.

Ideal for:

- Daily floor cleaning
- Spill pick up and response
- Weather related cleaning
- Washroom floor cleaning
- Entranceways
- Food collection
